(Make sure your card is signed before entering your polling place.)

Poll Managers will ask if your address is correct and current. If the poll manager believes there is any possible discrepancy – for example, the name or the address does not match the voter registration list, the voter had been issued an absentee ballot, etc. - then the poll manager may challenge the voter's eligibility to vote on the machine. The poll manager may request that the voter vote on a provisional ballot.

Provisional (challenged) Ballots allow voters with any discrepancy to vote on Election Day.

- Voter should plan to attend a challenged ballot hearing, on Friday, November 9, 2012 at 10 am, at the Charleston County Board of Elections, 4367 Headquarters Road off of Leeds Avenue and behind the BI-LO (4391 Dorchester Rd, North Charleston, SC 29405) and bring information as requested by the Poll Manager.

Individuals who did not register to vote in person at the Voter Registration Office should plan to provide one of the following documents which show their current name and address, such as:

Driver's License
State ID card

- Bank Statement
- Paycheck
